

# PHILIPPINE JOURNAL OF Ophthalmology

A PUBLICATION OF THE PHILIPPINE ACADEMY OF OPHTHALMOLOGY • FOUNDED IN 1969

VOL. 49 NO. 2 • July - December 2024

- Shaping the Future of Philippine Ophthalmology: Celebrating 25 Years of the Vitreo-Retina Society of the Philippines
- Vitreo-Retina Society of the Philippines @ 25: Manifesting a Clear Vision of Excellence, Innovation, and Family
- Local Validation of G-ROP and Modified G-ROP Criteria in the Detection of Prethreshold Retinopathy of Prematurity
- Current Practices in Treating Retinopathy of Prematurity in the Philippines
- A Comparison of Retinoblastoma Cases in the Philippines
- A Cost Effectiveness Analysis of Intravitreal Injections of Bevacizumab, Ranibizumab, and Aflibercept for the Treatment of Diabetic Macular Edema
- Comparative Efficacy of Smartphone Imaging with 3D-Printed Adaptor versus Fundus Camera for Diabetic Retinopathy Screening
- The Impact of Anatomic Racial Variations on Artificial Intelligence Analysis of Filipino Retinal Fundus Photographs Using an Image-Based Deep Learning Model
- Automated Machine Learning for Referable Diabetic Retinopathy Image Classification from Ultrawide Field Images
- Choroidal Vascularity Index among Filipinos with Non-Neovascular and Neovascular Age-Related Macular Degeneration Using Binarization of Enhanced Depth Imaging Optical Coherence Tomography
- A Correlation of Retinal Lesion Appearance and Distribution to CD4 Counts of Patients with Human Immunodeficiency Virus Using Ultrawide Field Scanning Laser Ophthalmoscope Images
- Phenotypic and Genotypic Characterization of Patients with Retinitis Pigmentosa in a Tertiary Hospital in the Philippines
- Solar Retinopathy from Religious Sun Gazing: A Case Report

## Editorial Team

### *Editor-in-Chief*

**Franz Marie O. Cruz, MD, DPBO, FPAO**

University of the Philippines-Philippine General Hospital  
Manila, Philippines

Peregrine Eye and Laser Institute, Makati City, Philippines  
St. Luke's Medical Center, Quezon City, Philippines

### *Managing Editor*

**Charisse Ann S. Tanlapco, MD, DPBO, FPAO**

Ilocos Training and Regional Medical Center

San Fernando, La Union, Philippines

Region 1 Medical Center, Dagupan City, Pangasinan, Philippines

The Medical City Pangasinan, Dagupan City, Pangasinan

### *Editorial Board*

**John Mark S. de Leon, MD, DPBO**

East Avenue Medical Center, Quezon City, Philippines

Cardinal Santos Medical Center, San Juan City, Philippines

**Manuel Benjamin B. Ibañez IV, MD, DPBO**

Makati Medical Center, Makati City, Philippines

Bataan General Hospital and Medical Center, Bataan, Philippines

East Avenue Medical Center, Quezon City, Philippines

Ospital ng Maynila Medical Center, Manila, Philippines

Medical Center Taguig, Taguig, Philippines

**Aubhugn Labiano, MD, DPBO**

Manila Central University - Filemon D. Tanchoco

Medical Foundation Hospital, Caloocan City, Philippines

**Keshia Lourdes L. Duyongco-Lenon, MD-MBA, DPBO**

The Medical City, Pasig City, Philippines

**Neil Gregory L. Onghanseng, MD, DPBO**

De Los Santos Medical Center, Quezon City, Philippines

East Avenue Medical Center, Quezon City, Philippines

Makati Medical Center, Makati City, Philippines

Rizal Medical Center, Pasig City, Philippines

**Felice Katrina T. Ranche, MD**

University of the Philippines-Philippine General Hospital

Manila, Philippines

Diliman Doctors Hospital, Quezon City, Philippines

Calamba Medical Center, Laguna, Philippines

**Alex S. Sua, MD, DPBO, FPAO, FPCS**

University of Santo Tomas, Manila, Philippines

Cardinal Santos Medical Center, San Juan City, Philippines

**Kristine Corpus Velasquez, MD, DPBO, FPAO**

St. Luke's Medical Center, Quezon City, Philippines

Cardinal Santos Medical Center, San Juan City, Philippines

Clinica Tamesis Eye Center, Manila, Philippines

### *Special Editors for this Issue:*

**Paolo S. Silva, MD**

Joslin Diabetes Center, Boston, Massachusetts, USA

Harvard Medical School, Boston, Massachusetts, USA

The Medical City, Pasig City, Philippines

St. Lukes Medical Center Global City, Taguig City, Philippines

Vitreo-Retina Society of the Philippines

**Recivall P. Salongcay, MD, MPM, DPBO**

The Medical City, Pasig City, Philippines

Centre for Public Health, Queen's University, Belfast, UK

Vitreo-Retina Society of the Philippines

**Kristine Corpus Velasquez, MD, DPBO, FPAO**

St. Luke's Medical Center, Quezon City, Philippines

Cardinal Santos Medical Center, San Juan City, Philippines

Clinica Tamesis Eye Center, Manila, Philippines

Vitreo-Retina Society of the Philippines

The PHILIPPINE JOURNAL OF OPHTHALMOLOGY (PJO) is the official journal of the Philippine Academy of Ophthalmology. It aims to provide a venue for exchange of ideas and information among ophthalmologists and other physicians. It publishes peer-reviewed

reports of original clinical and laboratory investigations, epidemiological studies done in the Philippines and other countries, major reviews of specific topics, evaluation of diagnostic and surgical techniques, treatment methods, latest updates and controversial issues in ophthalmology.

Initially published quarterly, the very first issue was dated January - March 1969 and entered as third-class mail at the Manila Post Office on February 13, 1969.

**Journal International Standard Serial Number:**

PHISSN 0031-7659

**MISSION:** To provide up-to-date medical and scientific information on ophthalmology.

**VISION:** The Philippine Journal of Ophthalmology is a peer-reviewed journal that provides a venue of exchange of medical and scientific information related to ophthalmology and visual sciences.

**Philippine Journal of Ophthalmology**

Email Address: pao\_pjo2007@yahoo.com.ph; secretariat@pao.org.ph

## Notice to Readers and Contributors

### **Submission**

Electronic copy of manuscripts in editable Microsoft Word document may be emailed to [pjo@pao.org.ph](mailto:pjo@pao.org.ph). Authors are directed to read and abide by the instructions to authors first on the website of the Philippine Journal of Ophthalmology. Along with the manuscript, authors must submit a duly accomplished and signed copyright transfer and an ICMJE disclosure of interest form. No manuscript will be reviewed until the signed copyright transfer is received.

The PJO is an open access, purely online, peer-reviewed journal. Manuscripts submitted for consideration are reviewed by editors and other experts in the field. Reviewers are consultants to the editor and are instructed not to discuss the paper with the authors. Reviewers should not cite the manuscript or refer to the work it describes before it has been published. Reviewers should refrain from using the information contained in the manuscript for the advancement of their own work or that of their colleague or institution.

### **Disclaimer**

Statements and opinions expressed in the articles and communications herein are those of the author(s) and not necessarily those of the Editor(s) or the Publisher (Philippine Academy of Ophthalmology). The Editors and PAO assume no responsibility for any injury and or damage to persons or property as a matter of product liability or negligence or which otherwise arise from use or operation of any methods, products, instructions, or ideas cited or discussed in any article in the Journal.

Although all advertising materials are expected to conform to ethical and medical standards, the appearance of advertising in PJO does not constitute a guarantee or endorsement by the PJO or the PAO of the quality or value of the product or the claims for it by its manufacturer.
